

Chuck Woolridge

Cross Country – Track & Field

cougarcoach@comcast.net

Coaching Background

Chuck Woolridge began volunteering as an assistant coach for his former team at College Park High School in the fall of 1991. He assumed the head coaching position in 1996 and built upon the foundation developed by his predecessor, Steve Nesheim.

In 1997 the varsity boy's team became the school's first State Championship qualifiers, finishing second at the North Coast Section meet. In 1999 the varsity girls, with a sweep of the first three individual places, won the NCS meet to give College Park a first ever section championship. The Falcons followed with section titles for the girls in 2002, 2003, 2004 and 2005, and three consecutive section titles for the boys from 2001 through 2003.

The College Park girls' squad finished the 2003 season #5 in the Harrier National Rankings, setting the all-time NCS team time at the State Championships. The Falcon girls went on to win a second consecutive CIF Division II State Championship in 2004.

In 2003 and 2004 Woolridge guided the Falcon varsity girls' track & field team to the NCS Tri-Valley Regional Championship. He also coached College Park Hall of Fame athlete Lindsay Allen to 3 consecutive state meet podium finishes in the 1600m from 2002 to 2004 and a 2000m steeplechase national record in 2003. Allen was named *Contra Costa Times* "Athlete of the Year" in both 2003 and 2004.

Since Woolridge's move to Campolindo High School in 2006, the Cougar girls have won the 2006, 2007, 2008, 2009, 2010, 2011, 2013 and 2014 DFAL cross country titles, the 2006, 2007, 2010, 2011, 2013, 2014 and 2015 NCS titles, and the CIF state championship in 2010 and 2013. The 2010 state meet performance is the NCS all-time team time for Woodward Park. 2010 and 2011 individual state champion Carrie Verdon was named *Bay Area News Group* "Athlete of the Year" for 2011.

The Campolindo Boys' squad has won the 2008, 2009, 2010, 2011, 2012, 2013, 2014 and 2015 DFAL titles, and the 2007, 2008, 2011, 2013, 2014 and 2015 NCS titles. They finished 2nd at the CIF Championships in 2008, setting the NCS all-time team time for the meet.

2012 and 2013 individual state champion, Aidan Goltra, was named *Bay Area News Group* "Runner of the Year" for 2012 and 2013.

Coaching Philosophy

Goals of Woolridge's program include the promotion of the sport as a lifestyle that athletes of all ability levels may use to foster success in every aspect of their lives. His training system develops athletes through periodization. He encourages athletes to earn gratification through hard work.

Additional explanations of training philosophies and specific season workout schedules can be viewed on the Campolindo Cross Country and Track web site at: www.campotrack.com
